Menu

We are not a gluten-free restaurant and cannot guarantee that cross contamination will never occur. We have processes in place to minimise that happening but there is a great deal of gluten in the air and on our work surfaces. Our non gluten menu is prepared on the same grill. If you are a Celiac and/or highly sensitive please advise the person taking your order and know that we will do our best but cannot guarantee your order will not touch gluten somewhere in the process.

Wherever possible our fresh ingredients are sourced locally including all our meat which comes from Curtis high class butchers, Wareham.

How to order
